2021 P1 Mathematics

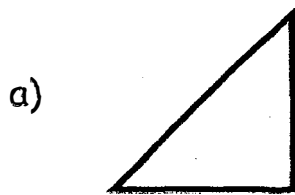

Topical Review 1

Name: _____ ()

Date: _____

Class: Primary 1. _____

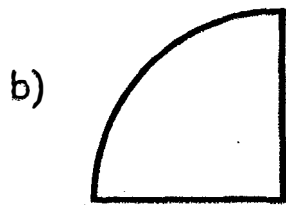

1. Match.

a)

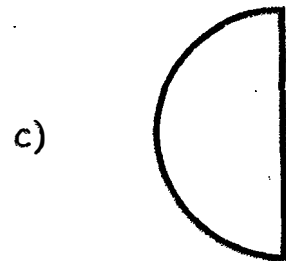

• Triangle

b)

• Circle

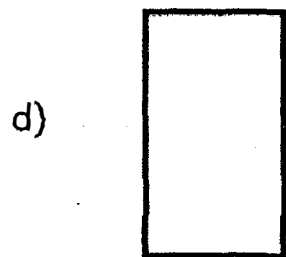

c)

• Rectangle

• Half circle

d)

• Square

• Quarter circle

2a) Guess what I am.

I have no vertex.

I have no side.

I am a _____

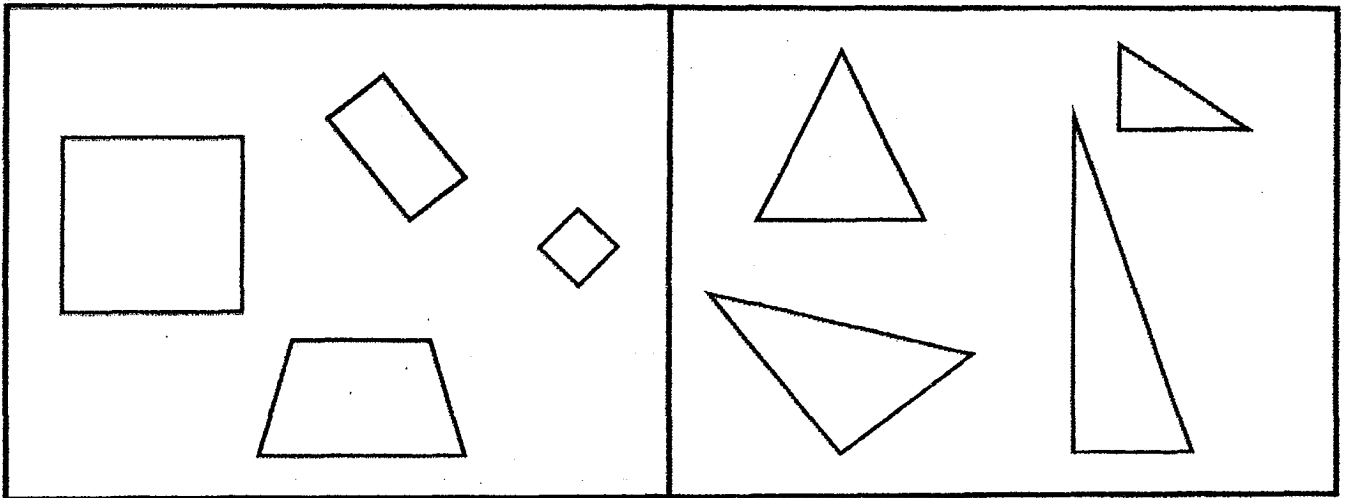

b) Fill in the blanks to describe me.

I am a square.

I have _____ vertices.

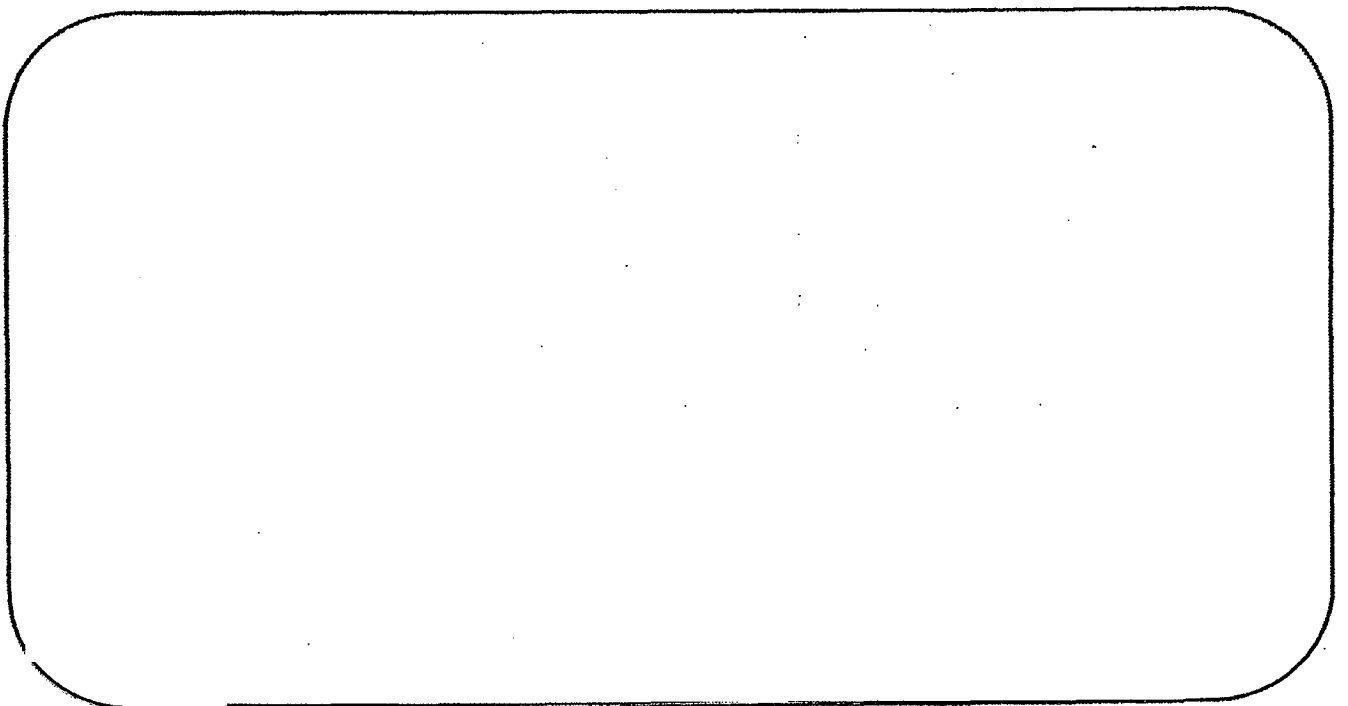

I have _____ equal sides.

3. Look at the two groups below.
Put a tick (✓) in the correct box.

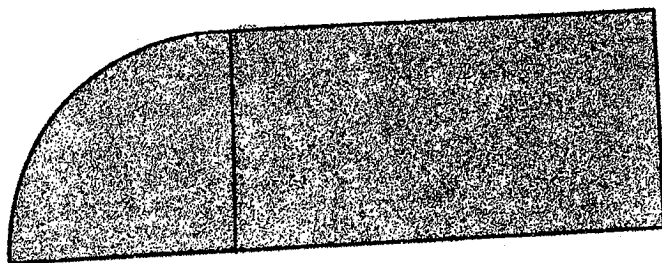

The shapes are grouped according to:	(✓)
its size.	
its shape.	
the number of vertices and sides.	

4. Cut out any 3 pieces of the shapes from page 7.
Fit them together to form another figure.
* Cut-outs cannot overlap one another.

5. Each figure below is made up of different shapes.
Name the shapes.

a)

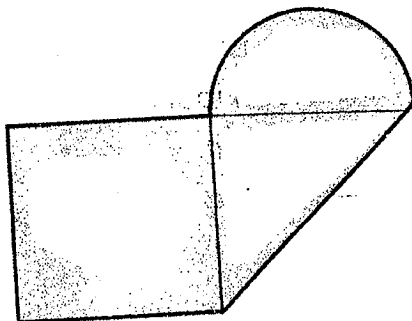

This figure is made up of 2 shapes.

They are:

A _____ and

a _____

b)

This figure is made up of 3 shapes.

They are:

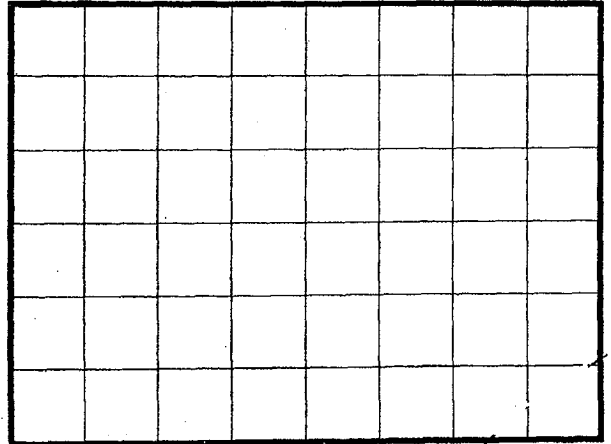

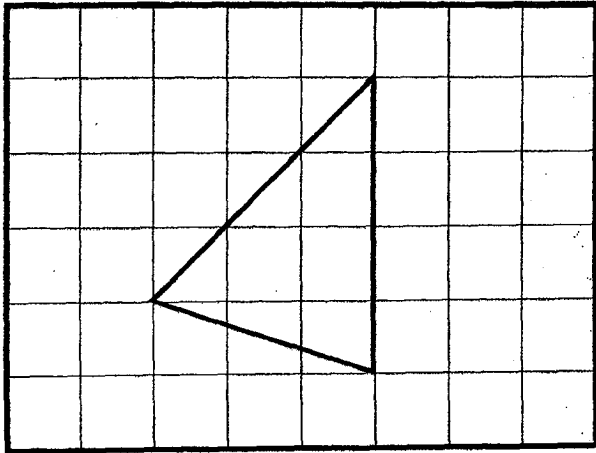

A _____,

a _____ and

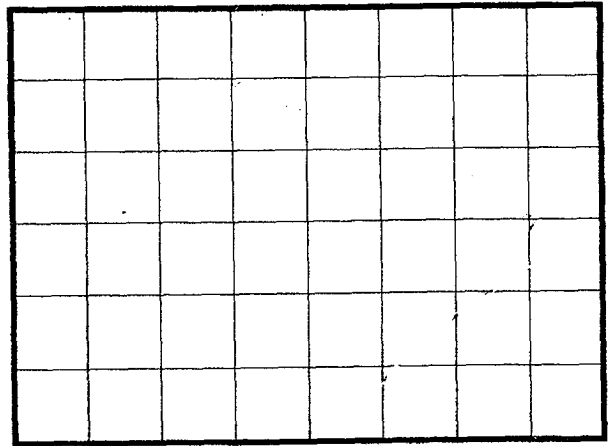

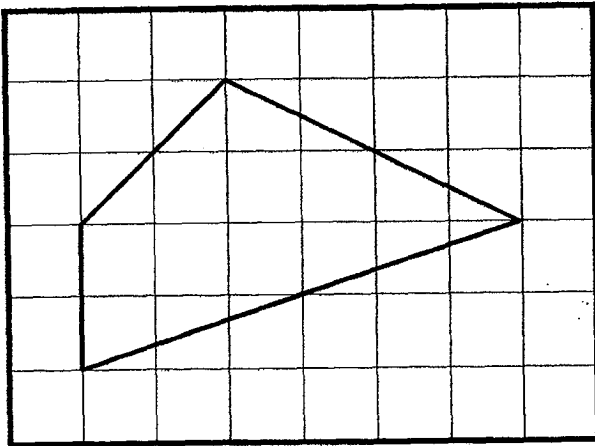

a _____

6. Copy the figures to the square grid on the right.

a)

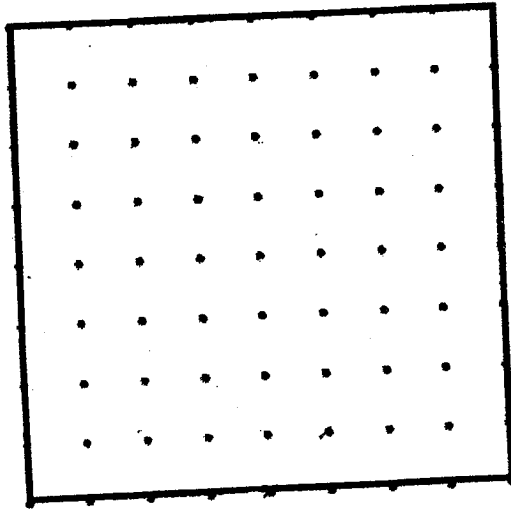

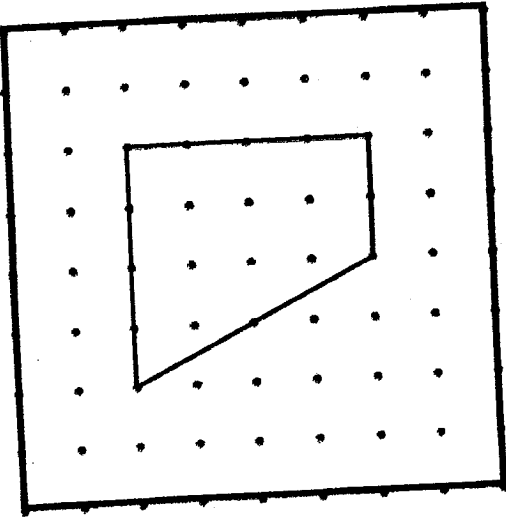

b)

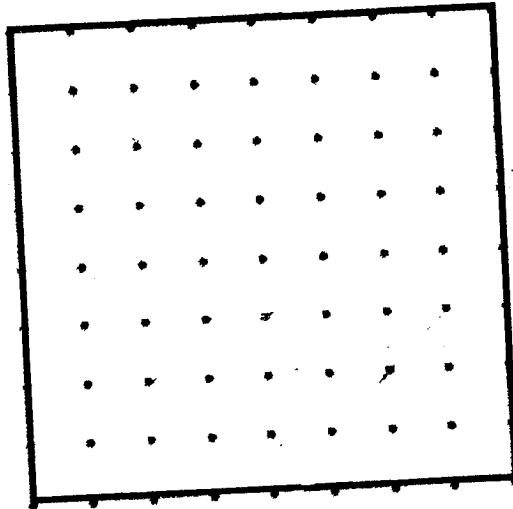

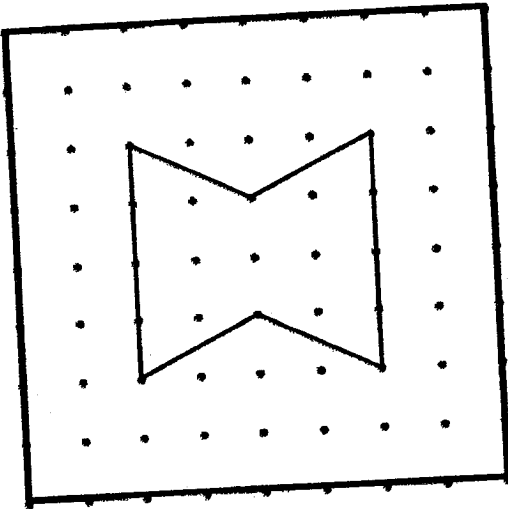

7. Copy the figures to the dot grid on the right.

a)

b)

TOPICAL REVIEW 3

Name: _____ () Date: _____

Class: P1.()

Read carefully then write your answers in the boxes provided.

1. Mary had the stickers in the box below.

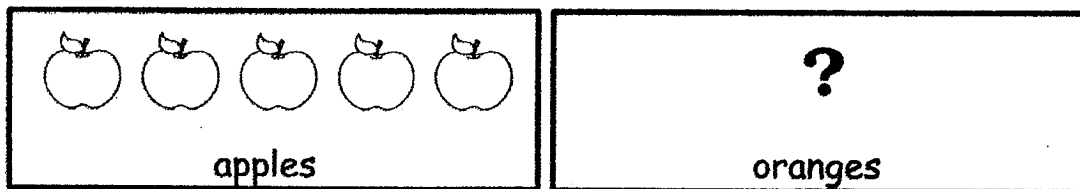

She used 2 of the stickers from the box.

She had stickers left.

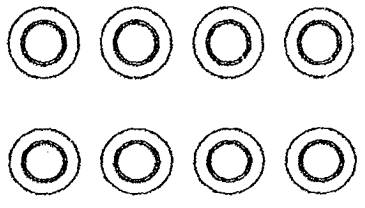

2. There are 8 fruits altogether.

How many oranges are there?

There are oranges.

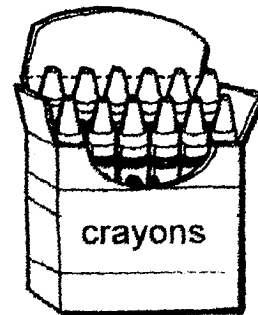

3. Look at the table and complete the story.

	
plates	bowls

There are 5 more bowls than plates.

There are bowls.

4. Emily had 12 crayons.
She lost 3 of the crayons.
How many crayons were left?

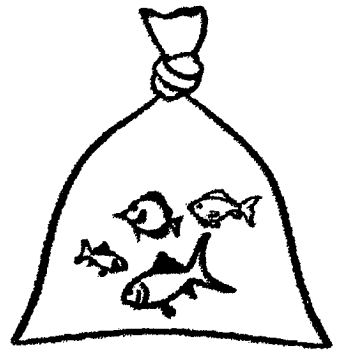

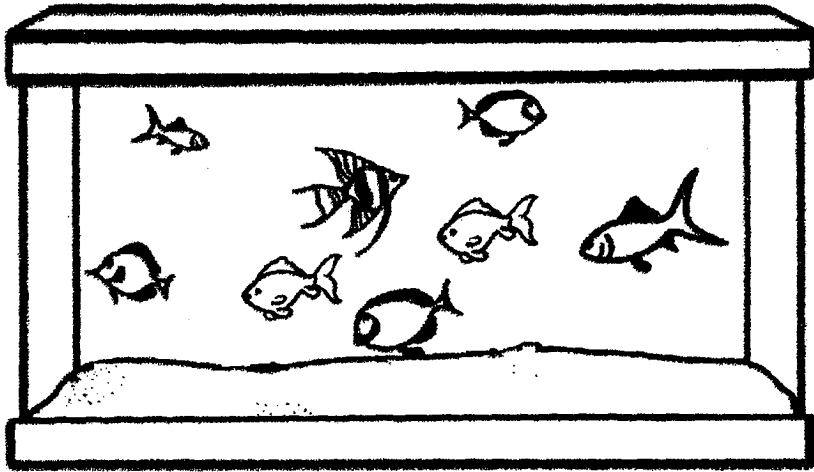

$$\square - \bigcirc = \square$$

crayons were left.

5. Mr Lim has 8 fishes in the tank.

He buys 4 more fishes to put into the tank.

How many fishes are there altogether?

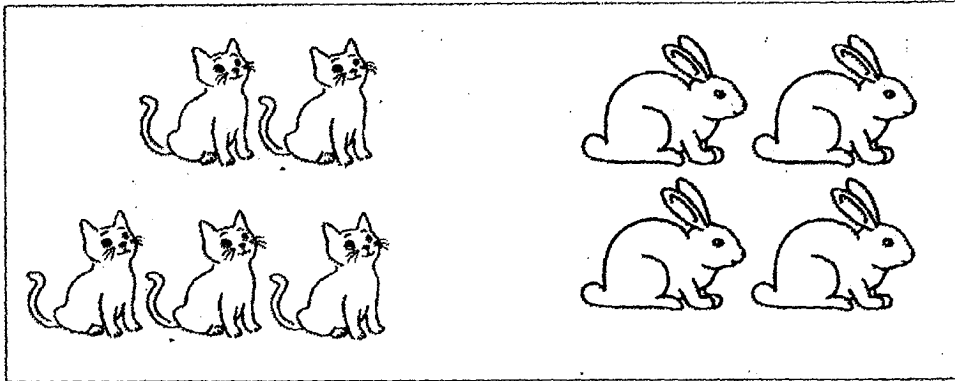

$$\square \quad \bigcirc \quad \square = \square$$

There are fishes altogether.

6 Look at the picture.

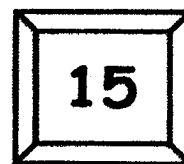

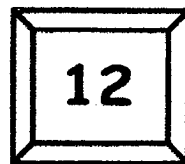

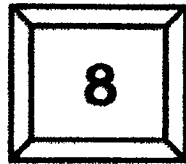

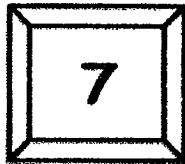

Write an **addition** equation and a **subtraction** equation.

a. + =

b. - =

7. Choose three numbers below to complete the equations.

a. Write an addition equation.

$$\square + \square = \square$$

b. Write a subtraction equation.

$$\square - \square = \square$$

Topical Review 4

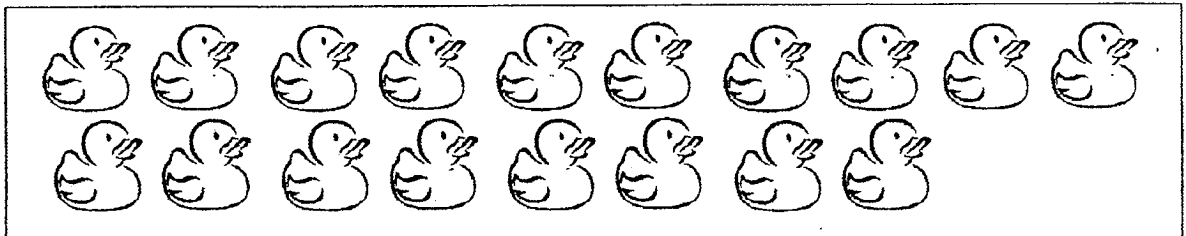

Name: _____ () Date: _____

Class: P1.()

Read the questions carefully.

Write your answers in the boxes provided.

1. Count and write the number.

There are ducks.

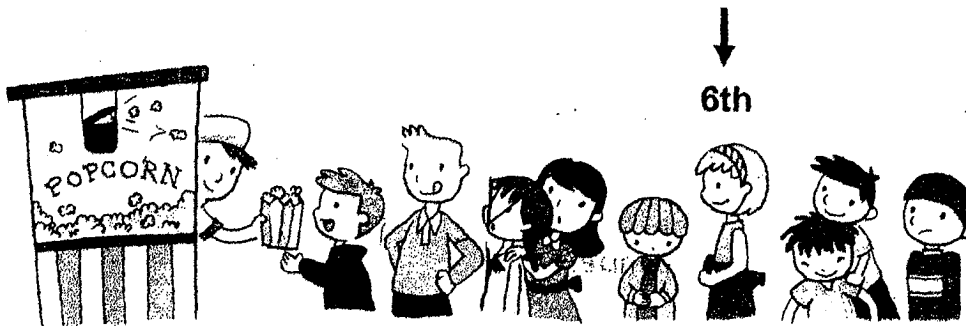

2. Write the number in words.

29

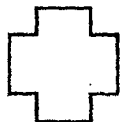

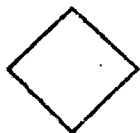

3. Write in numerals.

forty-seven

4. There are 9 children in the queue.
Circle the 2nd child in the queue.

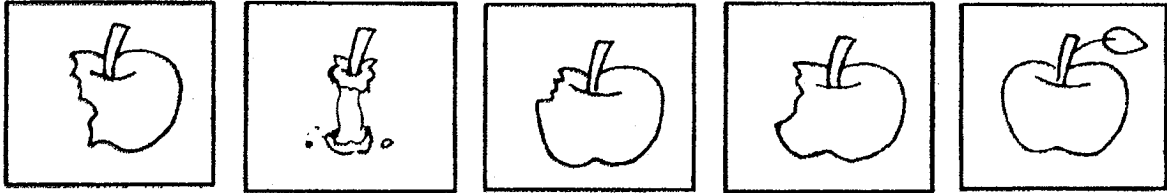

5. Colour the shape that is at the same position from the left and right.

left

right

6. Fill in 1st, 2nd, 3rd, 4th and 5th to show the order of eating an apple.

_____ 1st

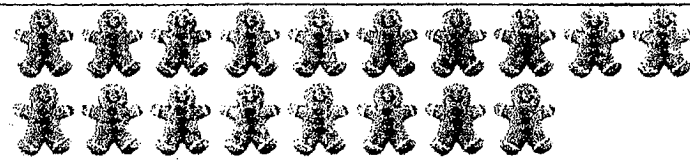

7. How many more rectangles than triangles are there?

triangles	rectangles

$$\square - \ominus = \square$$

There are more rectangles than triangles.

8. Compare the number of cupcakes with the number of cookies.

Cupcakes	
Cookies	

=

There are fewer cupcakes than cookies.

9. Compare the numbers below.

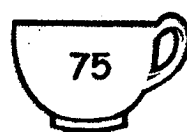

Tens	Ones
5	2

Tens	Ones
8	4

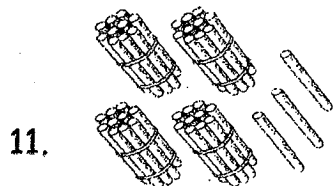

Tens	Ones
6	7

The smallest number is

10. Arrange the numbers in order. Begin with the greatest.

Greatest

11.

tens 3 ones

12.

92 = 9 tens

ones

13.

6 tens =

tens 10 ones

Complete the number patterns below.

14.

23	22	21		19	18	17	16		14
----	----	----	--	----	----	----	----	--	----

15.

4	14	24	34		54	64	74		94
---	----	----	----	--	----	----	----	--	----

(Go on to the next page)

9. Mother bakes 8 butter cookies.

Mother bakes 8 honey cookies.

How many cookies does Mother bake altogether?

$$\square \bigcirc \square = \square$$

Mother bakes cookies altogether.

10. Priya has some stickers.

She gives away 5 stickers.

She has 15 stickers left.

How many stickers does Priya have at first?

$$\square \bigcirc \square = \square$$

Priya has stickers at first.

11. Ms Mala has 18 eggs.

She uses 12 eggs to make sandwiches.

How many eggs does Ms Mala have left?

$$\square \ominus \square = \square$$

Ms Mala has eggs left.

12. 20 children are swimming in the pool.

9 children wear goggles.

How many children do not wear goggles?

$$\square \ominus \square = \square$$

children do not wear goggles.

Name: _____ ()

Date: _____

Class: P1. _____

Read the questions carefully.

1. Match.

a) $6 + 6$ •

b) $8 + 8 + 8$ •

c) $7 + 7 + 7 + 7 + 7$ •

• 8 threes

• 6 twos

• 3 eights

• 5 sevens

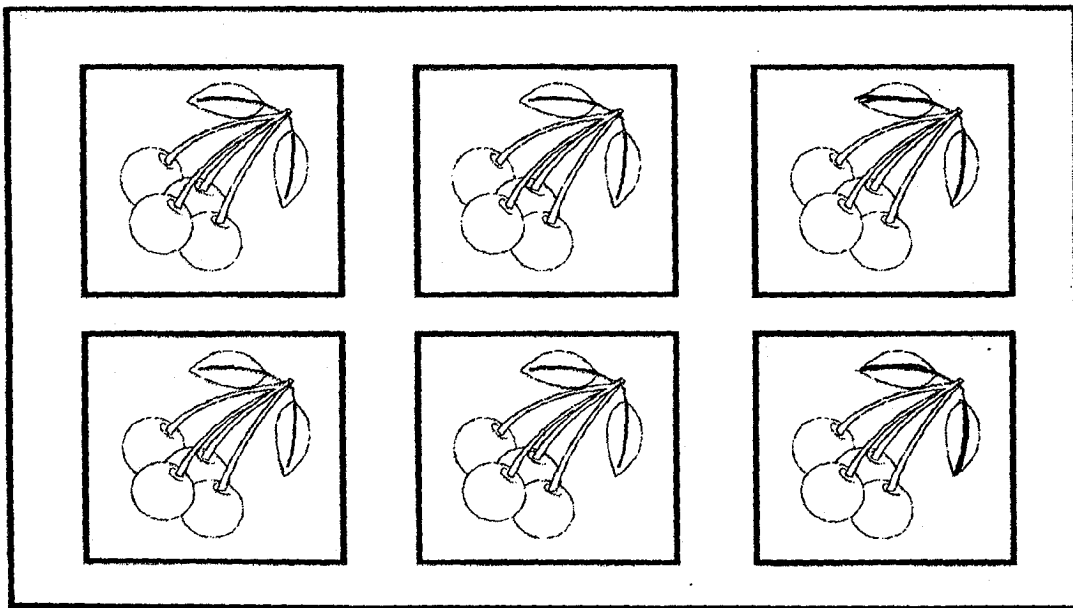

• 2 sixes

• 7 fives

Write your answers in the boxes/spaces provided.

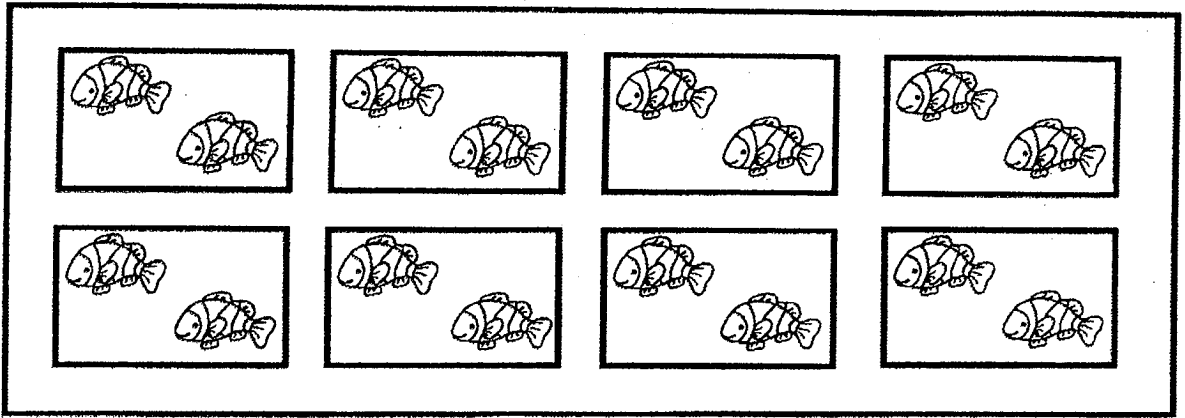

2. groups of = 3 + 3 + 3 + 3 + 3 + 3 + 3

3.

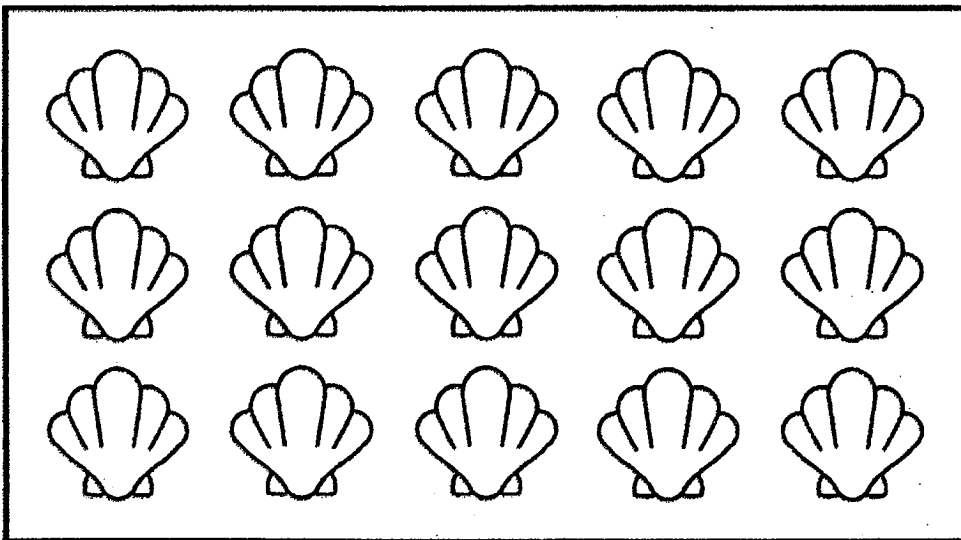

× =

4.

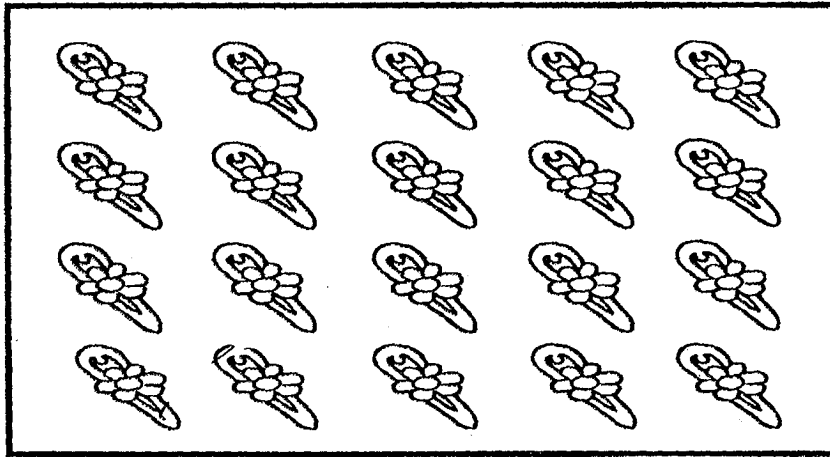

$$\square \times \square = \square$$

5. Put 15 shells into 5 equal groups.

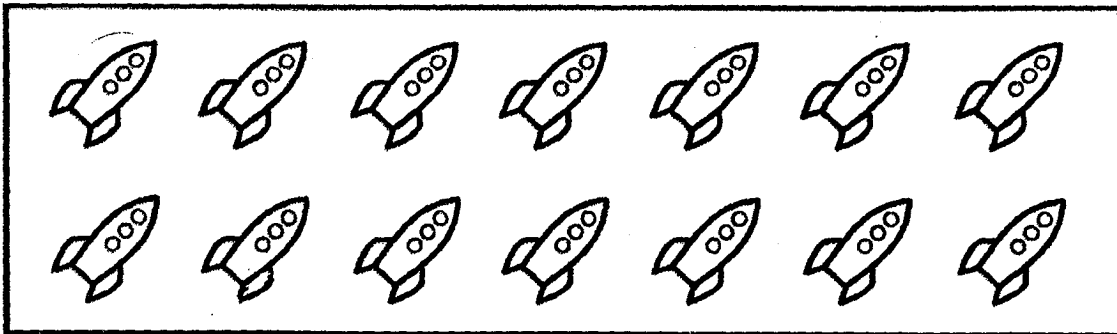

There are shells in each group.

6. Put 20 hair clips into 10 equal groups.

There are hair clips in each group.

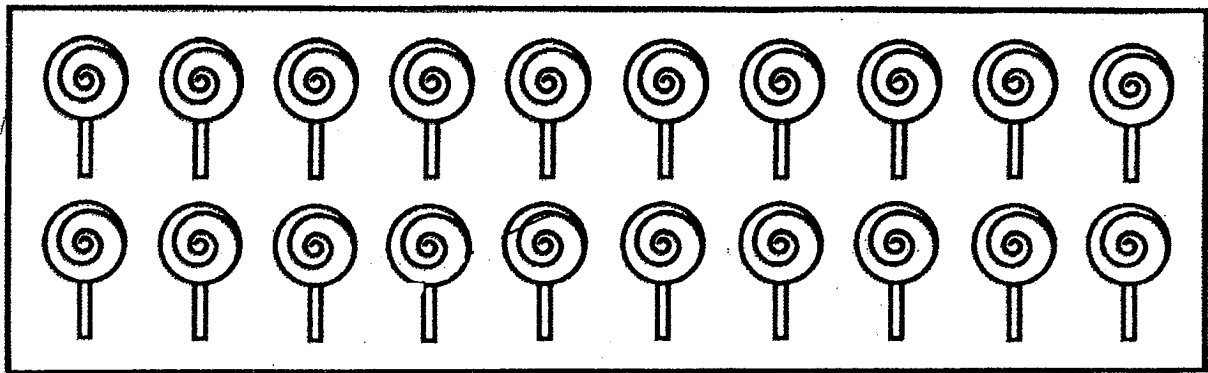

7. There are 14  toy rockets.
Circle groups of 2.

There are groups of 2 toy rockets.

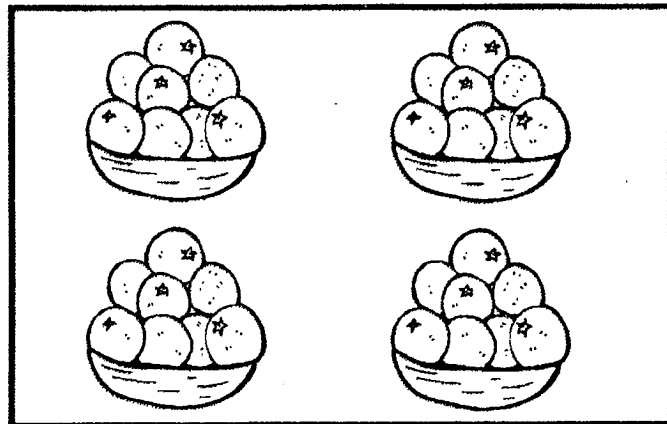

8. There are 20  lollipops.

Circle groups of 4.

There are groups of 4 lollipops.

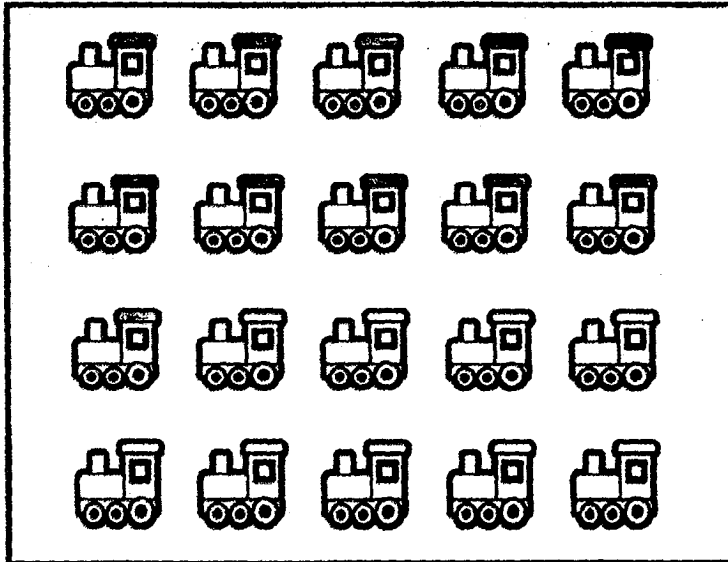

9. There are 4 bowls.
There are 8 oranges in each bowl.
How many oranges are there in all?

$$\square \times \square = \square$$

There are oranges in all.

10. There are 20 toy trains as shown in the picture below.
Tom puts 5 toy trains in each box.
How many boxes are there?

There are boxes of toy trains.

Name: _____ () Date: _____

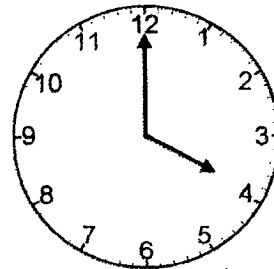

Class: P1.()

1. Write the time shown on the clock.

a.

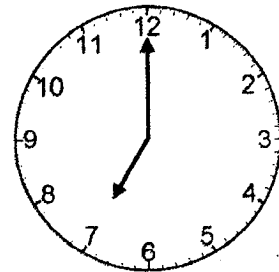

b.

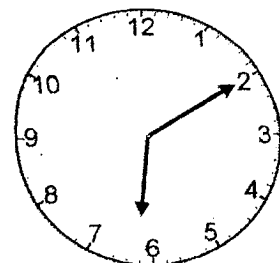

Circle the correct answer for Question 2 and 3.

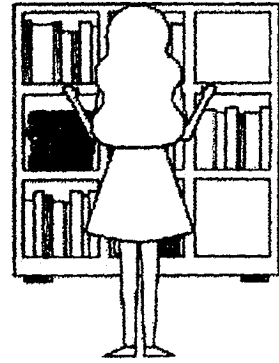

2a. Mr Lim jogs at the park at 7:00 (am or pm)
in the morning.

2b. Mrs Mah prepares dinner for her children at
6:10 (am or pm).

3a. Dorothy spent 35 (h or min) at the library yesterday.

3b. We spent 2 (h or min) walking around the park.

3c. The child was so hungry that she ate up all her snacks within 5 (h or min).

4. Look at the list of activities shown in the schedule below.

Schedule for Sammie's Birthday Party

Time	Activity
9:00 am	Games
10:00 am	Snack and cake-cutting
11:30 am	Magic Show
12:00 pm	Movie Time
2:00 pm	End of party

Write the answers in the blanks below.

- a. Which activity lasted for half an hour?

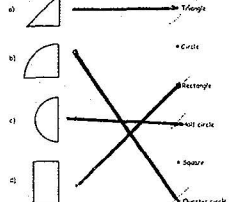

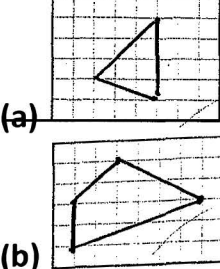

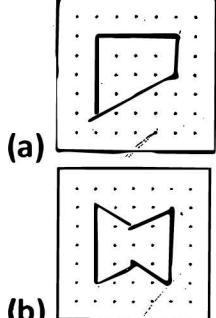

- b. Which activity lasted for 1 hour?

End of paper.
